

SOLVE A PROBLEM

Below are some of the problems that you might face at school. Write a solution to each problem.

PROBLEM	SOLUTION
You have no one to play with at lunchtime.	
Your two best friends are fighting.	
You did badly on your assignment.	
Another student swears at you.	
You don't understand the topic in class.	
Someone pushes in front of you in line.	
You forgot your homework.	
Your friend is being bullied at school.	
You see a younger student crying.	
There is an argument during a game.
