## **INTERVIEW WITH MRS. RYAN —————by Danielle Paulin**

Danielle: What do you do at CMS?

Mrs. Ryan: School Intervention.

Danielle: What is your favorite thing about being a staff member at CMS?

Mrs. Ryan: The students. Getting to see all the different students.

Danielle: How long have you been a staff member at CMS?

Mrs. Ryan: Must be close to 20 years.

Danielle: Did you always like being a staff member at CMS?

Mrs. Ryan: Yes.

Danielle: How has it changed since you came to CMS?

Mrs. Ryan: A lot. We used to have close to 400 students. Now we around 200.

Danielle: How have the students at CMS changed?

Mrs. Ryan: Not really. There somewhat all the same. The unique thing about CMS. We are the only school in the province that has 5-8. But there might be another one.

Danielle: What do you think about the government building a new school?

Mrs. Ryan: I think it will be great. But scared because its going to be K-8.

Danielle: What was your favorite subject in school?

Mrs. Ryan: English

Danielle: Did you always want to be a school intervention worker?

Mrs. Ryan: No, I used to be a supply teacher, then a job opened up for school intervention, and I took it.

## **Lady Cougars' Soccer ————— by Bethanne Wrabko-Davis**

This year's girls' soccer team stayed positive, had fun and worked hard. They had a total of 2 wins, 2 ties and 3 losses. The school is proud of them for trying their best. We hope to see them all again next year. Good luck to all grade 8s going to SSHS.

## **Cougars' Soccer Season ————— by Nickolas Mann**

The CMS boys soccer team tried their best this year. They did not win a game but they gave it their all. They came up against some really good teams that provided some difficult competition.

While they had a tough season, they worked hard and we are proud of them for that. Go Cougars Go! Good luck to all the boys' in grade 8 going to SSHS.

## New Announcements Room—by Shelby Arseneault

As you might've figured out, the CMS Media Club has a new announcements room. Its still on the second floor like the original room, but now its next to the elevator.

Though they only have a portion of it, its still a much bigger and better room. The Media Club was able to set up their green screen to create background effects. In the future, they will be creating a series of short clips about different topics concerning our school. If anyone has any suggestions for things they would like to see on the announcements, see Mr. MacDougall in Room 235 or any of the Media Club members.

## **Thank You by Scarlett McDonough**

November 11th, a day of remembrance, a day to cherish

We remember those who fought

Those who fought for our freedom

They fought for our rights

They fought for us to be able to walk on this soil

This soil we call Canada

They put their lives on the line so we didn't have to

They fought and fought, the least we could do is remember

Thank you to all the beautiful men and women for serving for our country.

Thank you for giving it a chance to thrive

But not only am I thankful, I am also proud

Proud to call myself a Canadian.
